2. This is our only hope  
Redeemed with Jesus' precious blood  
Saved from the empty way of life  
Through faith and hope in God  
And since you call on him  
Who judges all the earth  
Live your lives in reverent fear  
Remembering your redeemer's worth.

3. This is the word of God  
That even angels long to read  
They wonder at the work of Christ  
To meet our greatest need  
And though we cannot see  
And trials test our faith  
Our God will be our joy  
And our belief will be his praise.

4. We have been born again  
Through Jesus rising from the dead  
We know that our inheritance  
Won't perish, spoil or fade  
This is the living hope  
The mercy of the Lord  
Who by his power will shield  
All those who hold him to his word.
